Press Release

MITERA: Scientific Meeting and Discounts on Assisted Reproduction

All couples who will visit the N. Louros Conference Center, located within MITERA Hospital, on Sunday March 10, from 10:00 to 13:00, will receive a 20% discount for one cycle of IVF treatment at the MITERA Assisted Reproduction Unit, as well as the opportunity for a free consultation with a dietician and a psychologist. The offer forms part of the 2-day meeting organized by the MITERA Assisted Reproduction Unit, entitled "Fertility 360°".

Couples who wish to attend Sunday's meeting may call on 210-686.98.27 and 210-686.98.30, from 8:00 to 18:00 (Tuesday 05/03 to Friday 08/03) and until 15:00 (Saturday 09/03). The offer is valid until December 31, 2013.

The event on Sunday March 10 aims at giving an open forum for discussion to couples who want to be briefed on the latest technologies and the factors affecting the effectiveness of IVF.

On the first day of the 2-day meeting, Saturday March 9, distinguished Greek and foreign scientists will present all the latest and future developments and innovations in Assisted Reproduction to their colleagues.

Internationally-acclaimed Prof. Mats **Brännström**, from the Sahlgrenska Academy, University of Gothenburg, Sweden, who has performed the first successful uterine transplantation globally, will also attend the meeting. The Professor will talk about all the latest findings with regard to uterine transplantation, human possibilities and correlation to Assisted Reproduction techniques.
