Press Release

**Olympic Air - MITERA Children's Hospital: Special offer for children**

*December 11<sup>th</sup>: -World Children's Day*

On the occasion of celebrating the **World Children's Day**, Olympic Air in cooperation with **HYGEIA Group**, offers a **preventive medical examination** for the passengers' children of all OA domestic and international flights that fly from **Friday the 10<sup>th</sup> until Sunday the 12<sup>th</sup> of December**. The examination will be held at the **MITERA Children's Hospital** and is offered at the special price of 10 Euros.

The preventive medical examination includes a series of important laboratory tests (blood count, urinalysis, blood glucose levels and ferritin analysis) as well as a pediatric examination with medical instructions.

The provision is by appointment only, for those who call in until February 28<sup>th</sup> of 2011, by showing the relevant form which will be distributed during the flights.

Children represent the future of this world as well as the hope for a better tomorrow. On the occasion of the World Children's Day which is celebrated on the 11<sup>th</sup> of December, we believe that it is our duty to assist families in preserving the most valuable asset of their children, their health.

After all, prevention is the best and the most effective treatment.
