PRESS RELEASE

THE HYGEIA GROUP'S Y-PHARMA COMMENCES OPERATIONS

To mark the official commencement of operations of Y-Pharma S.A., a subsidiary company trading pharmaceutical products and products for general use, a holy blessing was performed at the company's facilities in Likovrisi.

The ceremony was attended by board members of Y-Pharma and Hygeia.

The development plan of Y-Pharma S.A., (in which Hygeia S.A. has an 85% holding, the other 15% being owned by M.A. Remedy-Medical Ltd), involves the supply of pharmaceutical products to private and public bodies in the health sector (hospitals, diagnostic centres, rehabilitation centres, etc.) in Greece and abroad.
