# Athens Shoulder Course

## Welcome Address

Via Athens Shoulder Course we aim to communicate new and more effective methods, share innovative approaches and discuss controversial matters as far as the shoulder disorders are concerned. Our goal is to approach these entities both theoretically and practically.

The Faculty consists not only of some of the current European opinion leaders but also of some of the most charismatic Greek shoulder surgeons. They will try to share their knowledge and experience with interesting lectures and by training on cadaveral specimens. The ultimate goal of this 3-day course is to deliver more effective Orthopaedic Surgeons and Physical Therapists who embrace new ideas after having checked their effectiveness in practice.

**Emmanouil Antonogiannakis**

## S C I E N T I F I C P R O G R A M

Thursday 26<sup>th</sup> January 2017

Conference Center  
“N. LOUROS” MITERA HOSPITAL

16:00 Registrations

### Time Session 1: Welcome

Chair: **Emmanouil Antonogiannakis**

16:30 Welcome to Athens Shoulder Course / Course Objectives  
**Emmanouil Antonogiannakis**  
[Welcome Addresses](#)

### Time Session 2: Introduction

Chairs: **Panagiotis Skandalakis / Argyrios Mitsou**

17:00 Shoulder Anatomy. What Is Important for the Surgeon  
**George Skarpas**

17:10 The Nerves Around the Shoulder Joint. What Should the Surgeon Know  
**Anastasios Georgoulis**

17:20 Arthroscopic Shoulder Anatomy  
**Dimitrios Kostopoulos**

17:30 Non-operative Management of the Painful Shoulder  
**Christina Isaia**

17:40 [Discussion](#)

### Time Session 3: Shoulder Dysfunction

Chairs: **Konstantinos Karliaftis / Theodore Troupis**

17:50 Impingement Syndromes  
**Ioannis Chiotis**

18:00 The Long Head of Biceps: SLAP Lesions. When and How to Treat Them?  
**Berte Bøe**

18:10 Tenodesis of Long Head of Biceps. When, Where and How to Do It.  
**Pascal Gleyze**

18:20 Stiff Shoulder. How to Treat Conservatively  
**George Stamatakis**

18:30 Arthroscopic Treatment of the Stiff Shoulder.  
Tips and Tricks for a Complete Release  
**Elias Mataragas**

18:40 [Discussion](#)

# Athens Shoulder Course

## S C I E N T I F I C P R O G R A M

Thursday 26<sup>th</sup> January 2017

Conference Center  
"N. LOUROS" MITERA HOSPITAL

Time	Session 4: Shoulder Dysfunction 2
	Chairs: <b>Nikolaos Piskopakis / Theodore Mariolis-Sapsakos</b>
18:50	Calcifying Tendonitis <b>Vasiliki Tsiampa</b>
19:00	When and How to do a Mumford Procedure <b>Anastasios Tokis</b>
19:10	Arthroscopic Treatment of AC Joint Dislocation <b>Dionyssios P. Chissas</b>
19:20	Our Experience Using Surgilig for AC Joint Dislocation <b>Dimitrios Alexakis</b>
19:30	Discussion

# Athens Shoulder Course

## SCIENTIFIC PROGRAM

Friday 27<sup>th</sup> January 2017

Conference Center  
"N. LOUROS" MITERA HOSPITAL

Time	Session 5: Instability
	Chairs: <b>John Christoforidis / Anastasios Georgoulis</b>
08:00	CT Evaluation for Anterior Shoulder Instability <b>Margarita Natsika</b>
08:10	How to Treat the First Shoulder Dislocation <b>Ioannis K. Triantafyllopoulos</b>
08:20	Arthroscopic Bankart Repair for Anterior Instability <b>Ioannis Gliatis</b>
08:30	The Evolution of Bankart Repair. From Metal to Soft Anchors <b>Geert Declercq</b>
08:40	Management and Revision of Failed Bankart Repair. Why the First Attempt Fails <b>Berte Bøe</b>
08:50	Discussion
09:00	Bone Defects in Shoulder Instability. From Engaging Hill-Sachs Lesions to On/Off Track Lesions <b>Christos K. Yiannakopoulos</b>
09:10	Arthroscopic Remplissage for the Management of Anterior Instability with Engaging Hill-Sachs Lesion <b>Emmanouil Brilakis</b>
09:20	Open or Arthroscopic Latarjet. Indication, Contraindications, Results, Complications <b>Christos Sinopidis</b>
09:30	Tips & Tricks of Arthroscopic Latarjet <b>Tom Clement Ludvigsen</b>
09:40	Discussion
09:50	Coffee Break

# Athens Shoulder Course

## SCIENTIFIC PROGRAM

Friday 27<sup>th</sup> January 2017

Conference Center  
"N. LOUROS" MITERA HOSPITAL

Time	Session 6: Instability 2
	Chairs: <b>Emmanouil Antonogiannakis / Ettore Taverna</b>
10:20	Arthroscopic Reconstruction of Anterior Glenoid Bone Loss Using a Bone Graft <b>Ettore Taverna</b>
10:30	Our Experience Using Iliac Crest Bone Graft for Anterior Glenoid Bone Loss <b>Emmanouil Antonogiannakis</b>
10:40	Management of Posterior Instability <b>Zinon Kokkalis</b>
10:50	Our Experience in Arthroscopic Management of Posterior Dislocation <b>Anastasios Deligeorgis</b>
11:00	Conservative Treatment of Multi Directional Instability <b>Avraam Aivazoglou</b>
11:10	Arthroscopic Management of Multi Directional Instability <b>Dimitris Alexakis</b>
11:20	Discussion
Time	Session 7: Live Surgeries
	Chairs: <b>Emmanouil Antonogiannakis / Ioannis Chiotis</b>
11:30	<b>Live Surgery</b>
	1. Arthroscopic Reconstruction of Anterior Glenoid Bone Loss Using a Bone Graft 2. Total Shoulder Arthroplasty
14:00	<b>Light Lunch</b>

# Athens Shoulder Course

## SCIENTIFIC PROGRAM

**Friday 27<sup>th</sup> January 2017**

Conference Center  
"N. LOUROS" MITERA HOSPITAL

Time	Session 8: Rotator Cuff Repair
	Chairs: <b>Panos A. Efstathiou / Ilias Ntsios</b>
15:00	US & MRI Evaluation of Rot Cuff Tears <b>Dimitrios Kechagias</b>
15:10	The Role of Physiotherapist in RC Tears. Conservative and Post-operative Management <b>Georgia Petta</b>
15:20	Risk Factors of RC Tears. Can We Change the Natural History of RC Repairs? <b>Achilleas Boutsiadis</b>
15:30	Identification and Repair of Subscapularis Tears <b>Giuseppe Milano</b>
15:40	Partial Supraspinatus Tears. In Situ Repair or Completing the Tear and Repair <b>Emmanouil Fandridis</b>
15:50	Discussion
Time	Session 9: Rotator Cuff Repair 2
	Chairs: <b>Michael Hantes / Panagiotis Vallianatos</b>
16:00	Tips for Arthroscopic Cuff Repair. Single or Double Row Repair <b>Michael Hantes</b>
16:10	Tips for Arthroscopic Cuff Repair: Massive Cuff Tears. How to Find and Release <b>Emmanouil Antonogiannakis</b>
16:20	The Biodegradable Spacer. A Novel Treatment Modality for Massive RC Tears <b>Eliyahu Adar</b>
16:30	Our Experience with the Inspace Balloon for Massive Cuff Tears <b>Emmanouil Brilakis</b>
16:40	Superior Capsule Reconstruction: History & Safety of the Procedure <b>Christos K. Yiannakopoulos</b>
16:50	Augmenting Rotator Cuff Repairs with Grafts <b>Paolo Avanzi</b>

# Athens Shoulder Course

## SCIENTIFIC PROGRAM

**Friday 27<sup>th</sup> January 2017**

Conference Center  
"N. LOUROS" MITERA HOSPITAL

17:00      Arthroscopic Latissimus Dorsi Tendon Transfer for Irreparable  
Posterosuperior Cuff Tears  
**Enrico Gervasi**

17:10      Discussion

**17:20      Coffee Break**

### **Time      Session 10: Shoulder Arthroplasty**

Chairs: **Giuseppe Milano / Tom Clement Ludvigsen**

17:50      The Role of the Physiatrist. Conservative and Post-operative Management  
of Shoulder Arthritis

**Evangelos Manaos**

18:00      Historic Evolution: From Neer Hemi-arthroplasty to Fourth Generation  
Modular Implants

**Efstathios Chronopoulos**

18:10      Hemi or Total Arthroplasty for the Management of Shoulder Arthritis.  
When to Do a Hemi

**John S. Maris**

18:20      Cuff Tear Arthroplasty

**Panagiotis Dimakopoulos**

18:30      Stemless TSA

**Pericles Papadopoulos**

18:40      Tips & Tricks of Anatomic TSA. The Exposure of the Glenoid

**Enrico Gervasi**

18:50      Discussion

# Athens Shoulder Course

## SCIENTIFIC PROGRAM

**Friday 27<sup>th</sup> January 2017**

Conference Center  
"N. LOUROS" MITERA HOSPITAL

Time	Session 11: Shoulder Arthroplasty
	Chairs: <b>Enrico Gervasi / Geert Declercq</b>
19:00	Trends and Controversies in Reverse Shoulder Arthroplasty <b>John C. Frousis</b>
19:10	Lateralization of Reverse Shoulder Arthroplasty <b>Achilleas Boutsiadis</b>
19:20	Outcomes of Total Shoulder Arthroplasty (Anatomic and Reverse) <b>Alexandros Kyriakos</b>
19:30	Tips & Tricks of Reverse TSA <b>John C. Frousis</b>
19:40	Transdeltoid Approach for Reverse Total Shoulder Arthroplasty <b>Tom Clement Ludvigsen</b>
19:50	Solving Difficult Problems in Reverse Shoulder Arthroplasty. Glenoid Bone Loss, Instability, bioRSA <b>Giuseppe Milano</b>
20:00	Discussion

**Saturday 28<sup>th</sup> January 2017**

Anatomy Lab, Medical School,  
University of Athens

**08:00 - 15:30 Practical Session on Cadavers**

08:00 - 11:30	<b>Group A</b>	<ul style="list-style-type: none"><li>• Arthroscopy</li><li>• Arthroplasty</li></ul>
12:00 - 15:30	<b>Group B</b>	<ul style="list-style-type: none"><li>• Arthroscopy</li><li>• Arthroplasty</li></ul>

\* A fee of 200 € is required to participate in the practical sessions. Limited participation.

For innovative shoulder solutions

## General Information

### Venue

#### Theoretical Sessions

The theoretical sessions of the Course will take place at the Conference Center “N. Louros” of MITERA Hospital.

**Address:** 6, Erythrou Stavrou Str. (MITERA Hospital), 15123, Maroussi, Athens, Greece

#### Practical Sessions

The practical sessions of the Course will take place at the Laboratory of Anatomy of the Medical School of the University of Athens.

**Address:** 75 Mikras Asias str., 11527 Goudi, Athens

### Presentations Reception Desk

The Presentations Reception Desk is located within the sessions hall. Speakers are requested to submit their presentation material at least one (1) hour prior to the start of their lecture.

### Badges

All participants in the practical sessions of Saturday 28th January are requested to wear their badges and show them to the designated staff, upon entering the session area. Participants are requested to wear their badge at all times, while attending the practical sessions.

### Certificate of Attendance

Participants can receive their certificate of attendance from the registration desk. Each participant is required to complete the evaluation form given upon registration, in order to receive the certificate of attendance. Attendance of 60% of the scientific program is mandatory in order to receive the certificate of attendance.

### Language

The official language of the Course is Greek. Simultaneous translation in English will be provided for participants and guest speakers from abroad.

### Website

The official course website is [www.athens-shoulder-course.com](http://www.athens-shoulder-course.com)

# Athens Shoulder Course

## Acknowledgments

The organizing committee would like to thank all sponsors and exhibitors, for their contribution and active involvement to the success of the Course.

# Athens Shoulder Course

## Speakers – Chairmen – Moderators

<b>Adar Eliyahu</b>	MD, Retired Director of Orthopedic Department, Edith Wolfson Medical Center, Holon, Israel
<b>Aivazoglou Avraam</b>	Physiotherapist, Supervisor of Physical and Rehabilitation Medicine Department, Hygeia Hospital
<b>Alexakis Dimitris</b>	Director of Orthopaedics and Sports Injuries Department, Athens Euroclinic, Associate 3rd Orthopaedic Clinic, Hygeia Hospital
<b>Antonogiannakis Emmanouil</b>	Orthopaedic Surgeon, Director of 3rd Orthopaedic Clinic, Hygeia Hospital
<b>Avanzi Paolo</b>	MD, Chairman of Shoulder Unit, Department of Orthopaedics and Traumatology, Sacro Cuore Don Calabria Hospital, Negrar-Verona, Italy
<b>Avramidis Grigorios</b>	Orthopaedic Resident, 3rd Orthopaedic Clinic, KAT Hospital
<b>Bøe Berte</b>	MD, PhD, Orthopaedic Surgeon, Orthopaedic Department, Oslo University Hospital, Norway
<b>Boutsiadis Achilleas</b>	Military Orthopaedic Surgeon, Centre Osteoarticulaire des Cèdres, Grenoble, France
<b>Brilakis Emmanouil</b>	Orthopaedic Surgeon, Consultant of 3rd Orthopaedic Clinic, Hygeia Hospital
<b>Chiotis Ioannis</b>	MD, PhD, MSc Orthopaedic Surgeon, Consultant of 3rd Orthopaedic Clinic, Hygeia Hospital
<b>Chissas P. Dionysios</b>	MD, PhD, Orthopaedic Surgeon, Director, Orthopaedic & Sports Medicine Department, Metropolitan Hospital, Athens, Greece
<b>Christoforidis John</b>	Emeritus Professor of Orthopaedics, Aristotle University of Thessaloniki, Greece
<b>Chronopoulos Efstathios</b>	MD, Associate Professor in Orthopaedics, 2nd University Orthopaedic Department, Konstantopouleio Hospital, N. Ionia, Athens, Greece
<b>Declercq Geert</b>	MD, Orthopaedic Surgeon, AZ Monica Hospital, Antwerp, Belgium
<b>Deligeorgis Anastasios</b>	Orthopaedic Surgeon, Consultant of 3rd Orthopaedic Clinic, Hygeia Hospital
<b>Dimakopoulos Panagiotis</b>	Professor of Orthopaedic Surgery, University of Patras, Greece
<b>Efstathiou A. Panos</b>	M.D., Ph.D., Orthopaedic Surgeon - President of the Hellenic Association of Orthopaedic Surgery and Traumatology, 2016
<b>Fandridis Emmanouil</b>	Hand Surgery-Upper Limb Microsurgery Department, KAT General Hospital, Athens, Greece
<b>Ferousis C. John</b>	MD, PhD, Head Orthopaedic Department-Shoulder Service, Asklepieion Voulas Hospital, Athens, Greece
<b>Georgoulis Anastasios</b>	Professor of Orthopaedics
<b>Gervasi Enrico</b>	Chair of Orthopaedic and Traumatologic Department, Civil Hospital, Latisana, Italy, Vice President of Italian Society of Arthroscopy (S.I.A.)

# HEALIX FAMILY OF ANCHORS™

The Rotator Cuff Tear Solution

**Το μοναδικό νοσοκομείο στην Ελλάδα  
που έχει λάβει τη διαπίστευση  
Joint Commission International (JCI).**

Το ΥΓΕΙΑ ανανέωσε τον Ιούνιο του 2016 για μια ακόμα τριετία τη διαπίστευση Joint Commission International (JCI) και παραμένει το μοναδικό νοσοκομείο στην Ελλάδα που έχει λάβει αυτή τη διάκριση από το πλέον έγκριτο και διεθνώς αναγνωρισμένο Πρότυπο Διαπίστευσης Οργανισμών Υγείας, με το οποίο έχουν διαπιστευθεί μόνο 500 Νοσοκομεία παγκοσμίως.

## Στην αιχμή της ιατρικής επιστήμης με γνώμονα την ποιότητα των υπηρεσιών και την ασφάλεια των ασθενών

Η ανανέωση της διαπίστευσης δηλώνει τη συνεχή συμμόρφωση του ΥΓΕΙΑ προς αυτό το διεθνώς αναγνωρισμένο πρότυπο και αποτελεί σύμβολο ποιότητας που αντανάκλα τη δέσμευση του οργανισμού στην παροχή υψηλής ποιότητας φροντίδα προς τους ασθενείς, στη συνεχή βελτίωση των υπηρεσιών, στη διασφάλιση ενός ασφαλούς περιβάλλοντος και στην ελαχιστοποίηση των κινδύνων για τους ασθενείς, τους επισκέπτες και το προσωπικό.

Κατά τη διάρκεια της επιθεώρησης επαναδιαπίστευσης, η οποία διεξήχθη τον Ιούνιο, ομάδα εξειδικευμένων επιθεωρητών διεθνούς εμπειρίας αξιολόγησε εκ νέου τη συμμόρφωση του ΥΓΕΙΑ στα πρότυπα του JCI που καλύπτουν ένα ευρύ φάσμα περιοχών, όπως τους Διεθνείς Στόχους Ασφάλειας Ασθενών, την εκτίμηση και τη φροντίδα ασθενούς, την αναισθησιολογική και χειρουργική φροντίδα, την διαχείριση φαρμάκων, την εκπαίδευση ασθενούς και της οικογένειας, την βελτίωση ποιότητας, την πρόληψη και τον έλεγχο λοιμώξεων, τη διοίκηση και την ηγεσία, τη διαχείριση εγκαταστάσεων, τα προσόντα και την εκπαίδευση προσωπικού και τη διαχείριση πληροφοριών.

Τα πρότυπα του οργανισμού Joint Commission International αναπτύσσονται σε διαβούλευση με διεθνείς εμπειρογνώμονες και παρόχους υπηρεσιών υγείας, καθώς και με ασθενείς. Τα πρότυπα ενσωματώνουν την τρέχουσα επιστημονική βιβλιογραφία, την ομόφωνη άποψη των εμπειρογνώμονων και έχουν αναπτυχθεί ώστε να βοηθούν τους οργανισμούς να μετρούν, να αξιολογούν και να βελτιώνουν την επίδοσή τους.

*Ο οργανισμός Joint Commission International (JCI) ιδρύθηκε το 1997 ως τμήμα του Joint Commission Resources, Inc. (JCR), μιας μη κερδοσκοπικής εταιρείας 100% θυγατρικής του The Joint Commission. Ο JCI, μέσω των διεθνών προγραμμάτων διαπιστεύσεων, συμβουλευτικών υπηρεσιών, εκδόσεων και εκπαίδευσης επεκτείνει την αποστολή του The Joint Commission και βοηθά στη βελτίωση της ποιότητας των υπηρεσιών υγείας σε διεθνές επίπεδο. Ο JCI υποστηρίζει οργανισμούς παροχής υπηρεσιών υγείας, φορείς δημόσιας υγείας, υπουργεία υγείας και άλλους οργανισμούς σε περισσότερες από 100 χώρες.*
