HYGEIA: Free-of-charge medical exams for everyone

On the occasion of the World Health Day on Saturday April 7th, the HYGEIA Group is offering **free-of-charge** a **Check-up** and a **one-year Outpatients Health Program** at **HYGEIA Hospital** (Marousi) and the Group's two diagnostic centers, **Diagnostic Center Athens BIO-CHECK** (1 Ventiri Street & Vasilisis Sofias Avenue, Hilton area, Athens) and **Diagnostic Center WEST ATHENS** (177 Thivon Street, Peristeri). All those who will visit one of these three facilities on Saturday April 7th, from 9:00 to 17:00, will be entitled to the free-of-charge medical exams, by appointment.

- The **Check-up** includes a lipid blood check-up (cholesterol, HDL, LDL, blood triglycerides, physical exam and evaluation) and a heart check-up (ECG, heart exam and evaluation).
- The **Outpatients Health Program** runs for a whole year and includes unlimited free-of-charge consultations with HYGEIA Group doctors of 33 specializations, significant discounts in non-invasive diagnostic tests and free access to the 24-hour call center for medical advice.

Commenting on the initiative, Ms Areti Souvatzoglou, CEO of the HYGEIA Group, noted, "The World Health Day is a day of celebration for everyone. At HYGEIA Group, we serve the area of healthcare 365 days a year with respect, dignity and a sense of responsibility, and we are very proud of this. With our pivotal message being 'Celebrating Life, Protecting Health', our aim is to convey the message that prevention is a way of life for everyone. In these difficult times, we must safeguard this valuable good in any way we can, since Health is above all else."
