Press Release

Mothers are celebrating at MITERA

On the occasion of Mother's Day on **Sunday May 13**, MITERA Hospital is celebrating, offering free-of-charge medical exams covering all age groups to all women who will be visiting the Hospital **from 9am to 5pm** on that day. The medical exams offered are:

- **Chorionic gonadotropin (bCG) test** for the women who wish to find out whether they are pregnant. In case of pregnancy, a special pricelist will apply for prenatal testing.
- **Anemia Check-up** for all the mothers and their children, **Pediatric Check-up** or **physical exam** at the MITERA Children's Hospital **Children & Adolescent Weight Control Department**.
- **Osteoporosis Check-up** for women over 50.

These offers are valid until the end of the year, only by appointment.

Furthermore, women who will be visiting MITERA Hospital on Sunday May 13 will receive a free **membership card** for the Hospital's new state-of-the-art **Cosmetic Dermatology & Anti-aging Department**. The card offers them the opportunity to select one of the treatments provided by the department (body fat measurement, laser hair removal, facial evaluation or fruit acid face peel). The Department offers comprehensive healthcare and beauty services that satisfy the latest technological standards and guarantee scientific adequacy and professional credibility.

During the event at MITERA, a book entitled *The Best Mother in the World* will be distributed to all mothers and there will also be a designated area for childrens' games and activities.

Commenting on the initiative, **HYGEIA Group's CEO, Ms. Areti Souvatzoglou**, stated, "For us at HYGEIA Group, Mothers are above all women and this is something we should never forget. Women nowadays manage to combine many roles being a mother, a wife and an employee altogether. Above all, however, they remain women throughout their lives and this is precisely what we are celebrating at our Hospital. Our commitment, especially through the recently established Cosmetic Dermatology & Anti-aging Department, is to provide reliable and quality medical care, within the safety of MITERA Hospital, as well as convenience and discretion, guaranteed by its 24-hour operation."
