Press Release

HYGEIA: Donations to schools and institutions

Supporting the efforts of institutions and organizations in need, HYGEIA donated furniture, printers, photocopiers, computers, books and clothing, collected by the hospital staff, as part of its Corporate Social Responsibility initiatives.

The goods were recently distributed to the Asylum for the Interminably Ill, the City of Athens Homeless Shelter (KYADA), the Elliniko Metropolitan Social Clinic, the Penteli PIKPA, the NGO Doctors of the World and the Holy Temple of Ypapanti (Maroussi). A large part of the donated goods was also distributed to schools in the following municipalities: Perama (1st Primary, 1st Unified Senior High, 2nd Junior High, 3rd, 6th and 8th Special Primary), Maroussi (7th and 8th Primary), Kifissia (5th Primary) and Zografou (6th Junior High).

Representatives of the institutions thanked HYGEIA for its kind offer and underlined that the action will assist in raising awareness among other bodies in these difficult times, all for the benefit of the people in need.

Commenting on the initiative, HYGEIA Group's CEO, Ms Areti Souvatzoglou, stated: In these difficult times, this is the least we can do for the people and organizations in need. The unflagging support of our Group's employees encourages us to continue our social contribution. Besides, in the over 35 years it has been operating, HYGEIA is fully aware of its increasing social responsibilities and the sensitive nature of the area it serves; an area where healthcare is directly associated with the values of respect and compassion towards our fellow human beings."
