Press Release

MITERA: Postgraduate Internship Program Seminars

With the aim of providing top-quality medical services, as well as serving research and offering further training to new physicians, MITERA Hospital is launching 3 of the 7 Postgraduate Internship Program Seminars it has already announced.

The first 3 seminars commenced on Tuesday November 19, 2013. They aim at training new physicians on new minimally invasive surgical techniques and innovative approaches for individual medical specialties.

- **Endoscopic Gynecological Surgery and Urogynecology:** **Stefanos Chandakas**, MD, MBA, PhD, *Obstetrician-Gynecologist, Endoscopic Surgeon, Scientific Associate at MITERA Hospital*
- **Pediatric Cardiology:** **Aphrodite Tzifa**, MD, FRCP, CH MRCP, *Director of Interventional Pediatric Cardiology at MITERA Children's Hospital*
- **Pediatric Neurosurgery:** **Spyridon Sgouros**, MD, FRCS (SN), *Assistant Professor of Neurosurgery, Director of the Pediatric Neurosurgery Department at MITERA Children's Hospital*

The remaining 4 seminars are on the following fields:

- **Surgery:** **Grigoris Tsiotos**, MD, *Director of the 1st Surgical Clinic at MITERA Hospital, Assistant Professor of Surgery at Mayo Clinic, USA*
- **Oncology:** **Ilias E. Athanasiadis**, MD, *Oncologist-Internist, Director of the 2nd Oncology Clinic at MITERA Hospital, Assistant Professor of Oncology at Northwestern University, USA*
- **Plastic Surgery:** **Athanasios Athanasiou**, MD, PhD, *Plastic Surgeon, Associate at MITERA Hospital, Postgraduate Studies at London Clinic, UK, and Beverly Hills, USA*
- **Modern Endoscopic Techniques in Gastroenterology:** **Georgios K. Anagnostopoulos**, MD FEBGH, *Gastroenterologist-Invasive Endoscopic Specialist, Associate at MITERA Hospital, Advanced Endoscopy Fellowship at the University of Nottingham, UK*

Applications for the next 4 seminar must be submitted by November 30, 2013. Classes will commence at the beginning of the coming year. Interested parties may submit their applications either over the phone (**+30 210 6869279, +30 210 6869274**) or via email (**info@mitera.gr**).

The seminars are addressed to new physicians who are in the process of specializing in a specific field and wish to gain knowledge and experience in a related sub-specialty. The seminars are organized and conducted under the guidance of MITERA Hospital's Scientific Council (Head of the Program: Georgios Kallipolitis, Associate Professor of Obstetrics & Gynecology at the University of Athens, Chairman of the MITERA Scientific Council). Participants will receive an Attendance Certificate at the end of the program.
