PRESS RELEASE

The ATHENS DIAGNOSTIC AND TREATMENT CENTRE HYGEIA S.A. has taken an active part in organising both the Euro-Melanoma Day and the Hellenic Week against Skin Cancer.

Within the framework of this effort, the Department of Dermatology of the Athens Diagnostic and Treatment Centre, in collaboration with the Hellenic Association of Dermatology and Venereology, shall examine patients **FREE OF CHARGE**, following an appointment (210-6867453, 210-6867340), as it does every year, for possible skin cancer from 15 to 19 May 2006.
